HOST LAKOTA'S NEXT COMMUNITY CONVERSATION

Being a Host is Easy and Rewarding:

Thank you for sharing your voice with Lakota!

Lakota is listening and through our **Community Conversations** program, we're committed to strengthening the partnership between Lakota and this community.

We want to hear from your friends and neighbors, too. Become a host and invite others to help us make our schools and our kids the best they can possibly be. Hosting a meeting is as easy as 1-2-3!
