

# Adding the Canvas App for Lakota

1. Open the App store (iTunes App Store or Google Play Store) on your device.

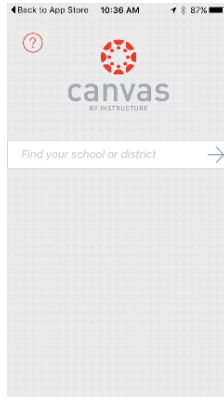

2. Search for “**Canvas by Instructure.**”

3. Download the “Canvas by Instructure” app.

4. Once it’s ready, click **Open**.

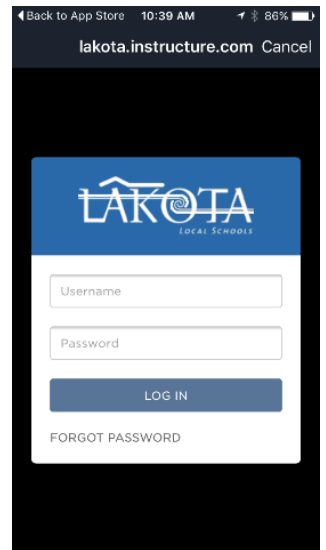

5. Find your school or district by **typing “Lakota Local School District”** and selecting it.

6. The Lakota login screen will appear. **Log in using your Lakota credentials.**

<b>Students</b>
Username: <a href="mailto:studentHACusername@lakotastudents.com">studentHACusername@lakotastudents.com</a> Password: <i>student HAC password</i> <i>(This must be your <b>student</b> password.)</i>
<b>Parents</b>
Username: <a href="mailto:parentHACusername@lakotaparents.com">parentHACusername@lakotaparents.com</a> Password: <i>parent HAC password</i>
<b>Staff</b>
Username: <i>district email address</i> Password: <i>district email password</i>

*\*Note:  
In most cases,  
your HAC username is  
Fullfirstname.Lastname*

7. A screen requesting access may appear. Click either **Authorize** or **Accept** (depending on the device). On Apple devices, you may want to click the box that says “Remember my authorization for this service.”

8. The courses in which you are enrolled will appear on your Canvas app.

*If you seem to be missing courses, verify the courses you would like to see are “favorited” (starred). Favorited courses will appear on the dashboard and calendar within the app. You can favorite courses under the following icons, depending on device:*
